Re: Clifford Ard vs. Bloomfield Silo
Finis Flynn vs. Bloomfield Silo

Dear Mr. Moomaw:

I have been in touch with the attorney for the plaintiffs in both of the above, and he advises me that there is very little, if any, possibility of settling these cases for $2,500.00. He has stated to me that there is a possibility of settling the Finis Flynn action for $5,000.00, but he doesn't feel that Clifford Ard will even settle for $5,000.00.

I expect to get a Motion to set these cases for trial any time. I will continue to talk to these attorneys when I see them about settlement and will advise as soon as I receive anything concerning setting these actions for trial.

It might be that we need to take these people's depositions before too long so we can pin down exactly what their damages are and how they expect to prove same as they are claiming quite a bit of damage and from talking to the plaintiff they seem to think that they can prove quite a bit.

Please advise.

Yours very truly,

JOE L. TRAVIS
