In the matter of establishing definitions and standards for mozzarella cheese, scamorza cheese, part-skim mozzarella cheese, part-skim scamorza cheese:

The order of the Deputy Commissioner of Food and Drugs establishing definitions and standards of identity for mozzarella cheese, scamorza cheese, part-skim mozzarella cheese, part-skim scamorza cheese, low-moisture mozzarella cheese, low-moisture scamorza cheese, low-moisture part-skim mozzarella cheese, and low-moisture part-skim scamorza cheese, published in the FEDERAL REGISTER, December 22, 1964 (29 F.R. 13121), is to become effective April 21, 1965. Judicial review pursuant to section 701(f)(1) of the Federal Food, Drug, and Cosmetic Act is being sought with respect to those portions of the order relating to low-moisture mozzarella cheese, low-moisture scamorza cheese, low-moisture part-skim mozzarella cheese, and low-moisture part-skim scamorza cheese. In response to requests made by interested parties, an order was entered staying the effective date of those portions of the standards to identify directly involved in the action for judicial review. The order, dated March 23, 1965, was published in the FEDERAL REGISTER of March 30, 1965 (30 F.R. 4130). Further representations have been received from other manufacturers of cheese products asserting that injury will result to them unless the entire order published in the FEDERAL REGISTER of December 22, 1964 (29 F.R. 13121), is stayed.

Therefore, it is ordered, That the effective date for the following portions of the regulation is postponed until there is a final judgment in the proceedings for judicial review:

a. Section 19.600 *Mozzarella cheese, scamorza cheese; identity.*

b. Section 19.601 *Part-skim mozzarella cheese, part-skim scamorza cheese; identity.*

Effective date. This order shall be effective on the date of signature.
