The Perth Engineer,

P. S. R. & S.

Dear Sir,

Staff. Your PMA 58. Miss V. Lonergan. We agree that Miss Lonergan take her leave as arranged.

Miss P. Lonergan. Miss Lonergan may be engaged temporarily as required if you are satisfied regarding her ability,

Miss D. Cutting. We think it would be advantageous if Miss Cutting came to Wittenoom during Miss Wilson's absence and unless the Secretary can see any particular disadvantage in this it should be arranged for Miss Cutting to travel on 10th December.

It is unfortunate that Miss Lonergan has arranged for leave on 10th January as this means that yourself, Miss Cutting and Miss Lonergan will be away at the same time if Miss Cutting comes to Wittenoom. We can, however, overcome this by arranging, if necessary, for Miss Cutting to return to Perth a week before Miss Wilson is due to return here.

Mr. Parry should handle the accounting section without difficulty and it is possible that either or both Mr. Morland or I may be in Perth for a short time during January.

Miss Cutting could possibly arrange for some routine work to be brought with her to be done here.

Yours faithfully,
For AUSTRALIAN BLUE ASBESTOS LTD.
