

1 MR. IGNATOWSKI: The next is a compilation,
2 it doesn't have an exhibit number, and we will be
3 putting in the supporting exhibits. And I have showed
4 this to defense counsel, Your Honor.

5 It is a list of exhibits from the Industrial
6 Hygiene Foundation digests, and we will be reading an
7 answer to either admissions or interrogatory that
8 indicates that Ford admits that they were a member of
9 this organization from 1947 to 1974.

10 Owens-Illinois admits that they were a
11 member from 1936 to 1975.

12 Owens-Corning Fiberglas admits that they
13 were a member from 1942 to 1950, 1953 to the present.

14 The first document is offered against Owens-
15 Illinois at which time they were a member and it is
16 dated January, 1938.

17 That will be the exhibit number IHF-186 that
18 we will put in at a separate time.

19 It is an abstract titled, Pulmonary
20 Asbestosis: The Asbestos Body and Similar Objects in
21 the Lung, dated December 11th, 1937, published in the
