Dear Professor Selikoff:

I would like to thank you and Dr. Nicholson for your hospitality during my visit at Mt. Sinai Hospital in December. It proved extremely enlightening to me. I am enclosing a copy of the paper I promised Dr. Nicholson on image intensification in electron microscopy.

I will contact either you or Dr. Nicholson within the next [illegible] to arrange for another visit at which time I will bring one of our people to study your sample preparation techniques.

I look forward to seeing you in the near future.

Very truly yours,
