DISMISSAL SOUGHT

Summerskill surmounted de-
mands from critics that he be
fired for not calling in police
when Negro activists sparked
the Dec. 6 demonstration which
closed down the college's opera-
tions for a day

The demonstrators then were
protesting failure of Dr. Sum-
merskill to lift suspensions of
four Negroes accused of attack-
ing the editor of the college
newspaper over an editorial ask-
ing a ban of a Negro activist
group

When he told his intentions to
resign, he announced no imme-
diate plans for his future after
10 years of college administra-
tive work, the last 1½ years as
president of San Francisco State.
