Re: Research on B.F. Goodrich

Dear Mr. Economus:

Attached are Manville Corporation's asbestos fiber sales records to B.F. Goodrich in Akron, Ohio. These records reflect sales to B.F. Goodrich directly from 1950 to 1960 and through C.P. Hall, a fiber distributor in 1969 and 1976. As an additional note, Manville sold fiber to Goodrich division in Canada and it Footwear and Flooring Division.

If you have any questions, please do not hesitate to call.

Sincerely,

Maggie Baumgardner
