REDACTED

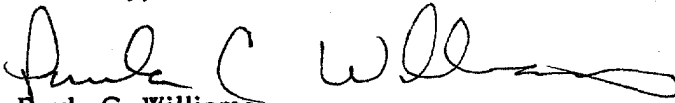

Dear Mr. Colangelo:

Reference is made to the above claim and letter from defense counsel dated June 11, 1991.

Please provide Mr. Baum and me with a copy of the personnel and medical file. You will note that several other companies were also placed on notice of this claim. Depending on how long he worked for each of the entities, we may not have much exposure. That's why we need the records in your possession.

Thank you in advance for your consideration.

Sincerely,

Paula C. Williams  
Sr. Claim Representative
