Mr. Ruckdeschel,

This correspondence is in response to your email regarding certain documents in the PACCAR document production.

You requested additional information regarding PACCAR000076, which relates to Mr. Jackson's claim. Attached is PACCAR000076-000083, which includes all documents that we located regarding the claim. We specifically direct you to PACCAR000079, which states, "Herman Rehiring, electrical mechanic (similar to work performed by Joseph "Vern" REDACTED)." Rod Curbo also discussed the claim in PACCAR005879-00581.

We only possess electronic copies of PACCAR000373-000375 and PACCAR000882-00883. No hard copies are readily available. Both sets of documents relate to the conversion to non-asbestos products in the 1980s.

Thank you,

Eric
