Hi Allie,

Just wanted to see if the Academy got back to you? I know there were some technical problems last week. Thanks for the help!

Yes sir. Still waiting on class of 2028 high school GPA figures and graduate by state data due to technical issues at the academy. Hope to have something to you NLT end of week.

Thanks Hannah!

Allie, nice to meet you! I was wondering if you could help me obtain the following data, broken down by year, from USMMA admissions for the past five academic years:

- a. Number of applicants by state
- b. Number of applicants offered appointments by state
- c. Number of appointments accepted by state
- d. Number of graduates by state
- e. Average GPA of those who were both offered an appointment and those who accepted.

Appreciate the support in getting this data.

Hey Eric! I'm looping in Allie Cameron with MARAD who can help here.

I'm pinch hitting for Senate until we're staffed up so if you need anything else in interim feel free to send it my way.

Good afternoon Hannah,

Our office has some inquiries regarding USMMA. I am not seeing a general email or a Senate Liaison to reach out to. Would you be able to point me to the correct person?

Thank you,
