

ANSWER: Unknown.

24. If written documentation in the form of "scientific data" will be introduced into evidence upon a trial of this case by the Defendant, describe each such document, and include its title, author, and the date and the identity of any publication in which such data was published.

ANSWER: Ford objects to this Interrogatory. It seeks information beyond the scope of discovery set forth in Rule 26.

25. State the full name, present full address, telephone number of all witnesses who will testify on behalf of the Defendant upon a trial of this cause, and identify the subject matter upon which each such witness will testify.

ANSWER: See 24.

26. Describe all written documentation which will be offered upon a trial of this cause on behalf of the Defendant against Plaintiffs.

ANSWER: See 24.
