STOCK

NEW YORK STOCK

NEW YORK, Oct. 23 (AP) — The stock market turned a brilliant in today's late dealing. An early swing had landed lected rails and industrial new high ground for the longer.

The fact the Associated 60-stock average, for the time in the past two weeks established a triple-top. The at a new peak since last November, and was unable to keep, served to chill technical forces to some extent. To chartists this was a sign of caution.
