Thanks so much, Amy!

I wanted to confirm receipt and let you know we will review it with the group and get back to you.

Just as a heads up, we are scheduling Chris' calendar out about 2 weeks to a month in advance to thank you for your patience as we work through his schedule.

For any PA requests please reach out to ben.dietderich@hq.doe.gov!

Have a great weekend!

Izzy

Hello Izzy,

I've filled out and attached the form and copied the appropriate email address as instructed. Hopefully our fly-in works with Chris's schedule!

Lastly, I have a podcast on energy – [Power Gab](#). It's a Colorado-centric podcast with a loyal following of Colorado grid insiders. Do I use the same form to request an interview? Or, is that a different process?

Thanks.

Hi Amy!

It is great to hear from you, I hope things are going great in your world!!

Thank you for reaching out and for the invite to have Chris join you guys in June. We currently have a new process here and have a thorough ethics review for events so if you could please fill out the event request form attached when you have a moment that would be great!

Also, just as a heads up, we are currently scheduling about 2 weeks to a month out for speaking engagements since his schedule is so fluid.

Thank you and I look forward to hearing from you ladies!

Izzy

Hello Izzy,

Amy Cooke, fellow Coloradan, here. Chris directed me to you regarding his calendar management. I know he's glad to have you with him in DC. Hannah Downey of PERC, copied above, and I work together with the State Policy Network (SPN) on energy and environmental policy. I coordinate our 52 members who represent state and national think tanks across the

country. Hannah co-directs the Environmental and Natural Resource Management subgroup. We're very active in both state and federal energy policy and regulations. We'll be in DC on Jun 23 and 24. Hannah and I would like to invite Chris to talk with our state and national partners about his vision of energy at the federal and state levels. We can accommodate his schedule during those two days. Please let me know if that is doable.

I look forward to hearing from you.

Best wishes,

Amy Cooke
