Quarterly Reports

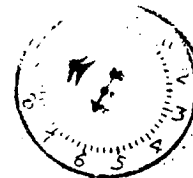

REFERENCE: J. A. Weicksel memo dated 7/12/72
G. J. Brucia memo dated 8/2/72

I have been advised by our Corporate Office that, despite the memorandum concerning these reports, copies of the 6/30/72 report have not yet been received in Dr. Weicksel's office. Failure of any single location of Cyanamid to comply with this Federal requirement (Executive Order 11598) could result in the Company being declared in non-compliance, with subsequent cancellation of government contracts.

Will you please take care of this matter immediately.
