

Jess,

Following up on our meeting. Here is correspondence between Enbridge and EPA.

Thank you, Matt

Subject: RE: Meeting request

Yes, I can confirm we are available at that time tomorrow.

David and Lynsey, I'd be happy to fill out a meeting request form with the attendees.

Regards, Matt

Hunton Andrews Kurth warning: This message came from outside the firm.

Hey Matt,

I'm so sorry for the delay. Is there any chance you could meet from 10:30 – 11:00 tomorrow?

I'm including David and Lynsey here who can help get myself and Peggy lined up for that if it would work for you.

Thank you!

Jess

Caution: This email originated from outside EPA, please exercise additional caution when deciding whether to open attachments or click on provided links.

Hello Jess,

I represent Enbridge in matters related to the permitting and relocation of the Line 5 liquid pipeline. Enbridge is requesting a meeting on Thursday, March 27 to discuss issues related to the neighboring jurisdiction review process under CWA Section 401. I have attached a background document to provide information on the issues.

Enbridge is available to meet at your convenience on Thursday, March 27. Please let us know if there is a convenient time.

Best regards, Matt
