

1 pay for me just to have enough money to survive half  
2 the time.

3 Q Okay. Have you done any work for NIOSH?

4 A Yes. I was a consultant to them on a number  
5 of occasions.

6 Q Have you also done work for the National  
7 Cancer Institute?

8 A Yes.

9 Q Okay. And what is the National Cancer  
10 Institute?

11 A It is the agency within the National  
12 Institute of Health to basically deal with the issue  
13 of cancer.

14 Q Okay. Is that supported by the Federal  
15 Government?

16 A Oh, absolutely, yes.

17 Q Okay. Doctor, we talked a little bit about  
18 your employment history with respect to your teaching  
19 at Georgetown, and I think, from reviewing your CV, I  
20 see that you left Georgetown in about 1978.

21 What have you done professionally since
