Mr. R. E. Brett
Executive Director
A.E. M.A.
Industry House
CANBERRA 2600 A.C.T.

Dear Sir,

As promised, I have completed, and am enclosing a set of "Recommended Instructions for Handling P.C.B.'s In the Electrical Industry" which should be circulated to the various companies in A.E.M.A. handling Chlorinated Hydrocarbons (or P.C.B.'s) for their comments prior to general issue and prior to formally replying to the E.T.U. letter to A.E.M.A. dated 11th January, 1974.

Yours faithfully
ENDURANCE ELECTRIC PTY LIMITED

R. J. COOPER
GENERAL MANAGER.
