Dear Mr. De Escobar:

I was glad to receive your letter requesting enrollment as a member of VCSA.

Enclosed is a copy of the By-Laws for your review. If your company meets these qualifications and wishes to join, I shall need the name of one permanent representative appointed to represent your company and serve as correspondent. This representative is also responsible to communicate all association meeting announcements, activities etc., to interested company employees to defray associations mailing expenses.

I shall be looking forward to your reply regarding membership.

Sincerely,
