To: FOOD, DRUG, AND COSMETIC CHEMICALS COMMITTEE

Subject: H.R. 16507 (Delaney Clause Modification)

Gentlemen:

Attached is a copy of the subject bill, which would modify the Delaney Clause with respect to the approval of new animal drugs, and which is of special interest because of the implications it could have with respect to modification of this clause as it applies to the approval of food additives.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "M. M. Hoover", is written above the typed name.

H. R. 16507

IN THE HOUSE OF REPRESENTATIVES

AUGUST 18, 1972

Mr. SCHERLE (for himself, Mr. POAGE, Mr. STEIGER of Arizona, Mr. SEBELIUS, Mr. PRICE of Texas, Mr. THONE, and Mr. MAYNE) introduced the following bill; which was referred to the Committee on Interstate and Foreign Commerce

A BILL

To amend the Federal Food, Drug, and Cosmetic Act to revise certain requirements for approval of new animal drugs.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*
3 That section 512 (d) (1) (H) of the Federal Food, Drug,
4 and Cosmetic Act is amended by inserting immediately before
5 the semicolon at the end thereof the following: "or if any
6 such residue is found, that the amount or the form of
7 such residue has been shown, by scientific tests considered
8 appropriate by the Secretary, not to induce cancer in
9 humans."

1

*Wanted to fully support this amendment
as it permits judgement by FDA based
on scientific evidence.*

*Note that this amendment applies only to
animal drugs. - Not a judgement for
food and color additives.*
