POWDER COATING - FDA STATUS

All materials in the epoxy powder coating listed in your letter of April 16, are approved for feed contact use under CFR Section 121.2514. As such, they are approved for use on refrigerator crisper trays. If colors other than white are needed, the following approved pigments could be added to the composition:

Burnt umber
Cobalt oxide - aluminum oxide
Iron oxides
Phthalocyanine blue (C.I. pigment blue 15)
Raw sienna
Tartrazine lake (certified FD&C yellow No. 5)
