

Welcome to A. H. Bennett Company!

Your one-stop roofing, siding and window supplier to the Upper Midwest.

When Arthur Henry Bennett started this business in 1922, his vision was to offer contractors more than quality materials. He gave advice to help them succeed in all areas of running a business. Now in it's third-generation of family ownership, that legacy is still carried on through roof-top delivery, drafting and estimating, consulting, product and business training workshops and above all else, employees that really care about customers. We pride ourselves in giving you that extra service edge you want in a supplier. That service edge stems from our team of quality sales people with over 100+ years of roofing and construction experience, all dedicated to giving you the right products (when you need them) for a quality job. Our corporate headquarters are located in Minneapolis, Minnesota, and with branch offices in St. Cloud and Rochester, MN, Eau Claire, WI and also Fargo, North Dakota you can be sure that we've got you covered!
