

(Drislane - Purcell)

1 1948 through 1965?

2 A In that era, yes.

3 Q I wanted to ask you regarding Bendix, what
4 division did you work for at Bendix in that time period 1948
5 to 1965?

6 A It was originally called the Marshal Eclipse
7 Division.

8 Q What does Marshal Eclipse Division mean?

9 A Eclipse was sort of a name that went with various
10 Bendix divisions, some called Pioneer Eclipse, Teterboro
11 Eclipse, whatever it was. That was a something. And Marshal
12 was the name of the gentleman who started the company up in
13 Watervliet, New York.

14 Q How was the term Eclipse associated with Bendix's
15 business?

16 A I'll be blessed if I know.

17 Q Okay. Was this Marshal Eclipse Division located
18 in Troy, New York?

19 A That was its mailing address. It was located in
20 Green Island, New York.

21 Q Is that the location at Bendix where E. A. Martin
22 worked also?

23 MR. MENDRZYCKI: Objection.
