Hi Kim,

I am not sure why you weren't copied on this notice of violation that was sent on 6/17/24. Since you sent the attached email with the startup checklist directly to me and not [R8DWU@epa.gov](mailto:R8DWU@epa.gov), I didn't see it and the violation was issued.

In the future, be sure to send emails to [R8DWU@epa.gov](mailto:R8DWU@epa.gov) to make sure the correct people get the needed information. I will reject this violation.

Thanks,

Jamie
