Mr. L. V. Taylor
American Can Company
Maywood, Illinois

Dear Mr. Taylor:

It has been suggested by Mr. Warren A. Cook that you would be willing to assist our Association in the planning of scientific exhibits for the 1945 meeting, to be held in April, in Chicago. Accordingly, I am extending to you the appointment to serve as Co-Chairman of the Scientific Exhibit Committee, along with Mr. A. H. Setterlind of the Illinois Division of Industrial Hygiene. I am sending a copy of this letter to Mr. Setterlind.

I sincerely hope you will find it possible to accept the appointment. If you find this possible, I shall appreciate your communicating with Mr. Setterlind concerning any plans you may wish to make toward the furtherance of our annual meeting.

Sincerely yours,

J. J. Bloomfield
President
