DATE January 18, 1984

SUBJECT 1984 AACPP Annual Meeting

ACTION REQUIRED: Return registration form and fee to AACPP no later than
February 10, 1984

On behalf of AACPP's Board of Directors, I invite you to attend the Association's 12th Annual Meeting and Industry Conference, April 1-4, 1984, at Marriott's Mountain Shadows in Scottsdale, Arizona.

Staff is busy lining up speakers and putting the final touches on this year's Industry Conference ... **VIBRATIONS '84** ... which through happenstance rather than by design does include the spectre of "big brother" i.e., OSHA/EPA regulations. A final program will be forwarded to all registrants of record one (1) month in advance of the meeting.

A Schedule of Events is enclosed along with a meeting registration form. To ensure room accommodations, please complete the registration form and return with the appropriate registration fee to AACPP no later than **February 10, 1984**. Requests for room reservations received after the cut-off date will be honored only as space availability permits. **Don't delay ... register today!**

AACPP's Associate and Affiliate members should note that the International Affairs Committee is scheduled to meet on Sunday afternoon, April 1, 1984 and plan their arrival accordingly, i.e. before noon Sunday or Saturday evening, March 31, 1984.

Finally, even if you can not attend, please so indicate and return the registration form by the reply date. This simple expedient will greatly minimize Staff follow up on no responses.
