Announcing SIGMA Annual Conference
Opening General Session Speaker
Mr. Scott Pruitt
Administrator, U.S. Environmental Protection Agency

Register today to hear remarks from EPA Administrator Scott Pruitt!

Don't miss this chance to thank Administrator Pruitt for EPA's actions allowing

our industry to respond and recover in the aftermath of Hurricanes Harvey and Irma.

Administrator Pruitt believes that promoting and protecting a strong and healthy environment is among the lifeblood priorities of the government, and that EPA is vital to that mission.

He is recognized as a national leader in the cause to restore the proper balance between the states and federal government. As Oklahoma Attorney General, he established Oklahoma's first federalism unit to combat unwarranted regulation and overreach by the federal government.
