EAGLE-PICHER
SOLVES THE HOT PIPE PROBLEM.
epitherm 1200.
ASBESTOS-FREE!

Eagle-Picher has come up with a refreshing answer to your hot pipe problem. We call it Epitherm 1200, a mineral fiber molded insulation. You'll call it the greatest pipe insulation ever designed.
Here's why:
1. No more asbestos bug-a-boo to worry about. Epitherm 1200 is asbestos-free. Absolutely.
2. Epitherm 1200 has a significantly lower "K" factor compared with other high temperature pipe insulations.
3. Full 1200° service temperature. And no hedging.
4,5,6,7,8,9, & **10.** All the options you need . . . shatterproof, stable, non-corrosive, acoustical, incombustible, easy to fabricate with hand-tools.
Epitherm 1200. The pipe insulation that has everything going for you. Call or write for the full story.
