-- Re: [REDACTED] Birmingham, Alabama --
Colored Laborer --

Dr. Robert A. Kehoe,
University of Cincinnati,
College of Medicine,
Eden Avenue,
Cincinnati 19, Ohio.

Dear Dr. Kehoe:

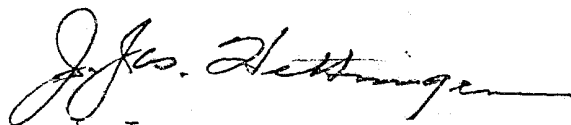

This is to acknowledge receipt of your letter of January 15th regarding the above.

I have today advised Dr. M. E. Stilwill, Massillon, Ohio, of the fact that you can examine [REDACTED] on either Tuesday, Thursday, Friday or Saturday of the week beginning January 31st, and particularly called his attention to your remarks with respect to having [REDACTED] come direct to the College of Medicine.

It may be that Dr. Stilwill will communicate with you direct advising just when [REDACTED] will present himself, in which event I have asked Dr. Stilwill to send me copy of his letter. On the other hand, if he writes me, I will in turn advise you accordingly.

For obvious reasons, I would request that you forward me direct the report of your examination and we can handle the matter further from this end with Dr. Stilwill.

Very truly yours,

J. Jos. Hettinger
