Re: Nevada Power Company v. Monsanto Company, et al.
USDC, District of Nevada Case CV-S-89-555-LDG (LRL)

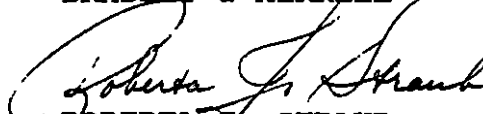

Dear Dr. Teitelbaum:

I called and spoke with your Medicolegal Coordinator, Joan, and found that we had been interpreting the list sent to us of your available dates incorrectly. The dates mandated by the judge require that depositions of experts take place from July 30th to August 20th, 1993.

From Joan, I learned that you are unavailable during the month of August (except for trial). Therefore, I must regret to inform you that we are terminating you as an expert in this litigation.

Sincerely,

BRADLEY & MERRELL

ROBERTA J. STRAUB
