

1 any bays?

2 A No.

3 Q Back then they didn't have bays in that
4 garage?

5 A No.

6 Q And what about lifts?

7 Were there any lifts that they had back
8 there?

9 A No lifts.

10 Q Now, you as a mechanic had an opportunity to
11 change brakes there; is that correct?

12 A Yes.

13 Q Can you describe for us -- when you worked
14 back in the 1940s, as well as in the '50s, can you
15 describe how you would do a brake job then, starting
16 with the first thing you would have to do with a
17 vehicle?

18 A The first thing you would have to do is
19 raise the vehicle, jack it up and secure it for
20 safety.

21 Remove the wheels, remove the brake drums
