

NEWS LETTER

ROOM 1815

Vol. 172 - 1943 February 17

We are proud of the silk banners now hanging on the 17th, 18th and 19th floors of our offices at 111 Broadway, New York, N.Y., in honor of the more than a thousand Company employees who have gone into the armed forces. It is with sincere regret, however, that the banners carry gold stars for the three employees who have given their lives in the service of their country.

Fletcher W. Rockwell, President

JOINS LABORATORY STAFF

W. W. Braun, formerly head of the chemical section of the Ohio State Highway Dept. Laboratory, has joined the Brooklyn Research Laboratories, and is in charge of the analytical department. Mr. Braun is a former fellow of the U.S. Bureau of Standards.
