Hi Ryan,

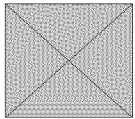

Amy said you described our story on Holmstead as "wrong."

Please let me know which fact reported in the story is incorrect. The story - as was our last one you incorrectly cast doubt over - is impeccably sourced and carefully written. Surely you're not saying Wheeler is still in contention?

Thank you,

Jonathan

Ryan –

Happy Wednesday; I hope you are settling in well at the “new” gig.

Your old friend Dale Hall will be coming into town August 7-9 and would love to have time with you either on or off campus. Do you have any availability?

Looking forward to seeing you!

Cheers,
Whitney
