Dear Dr. Lehnert:

I was pleased to receive your card and learn that my paper
"Models for the Relationship Between Blood Lead and Air Lead"
has been accepted for publication in the International Archives
of Occupational Health. I'm having black and white glossy prints
of the figures prepared and will send them to you at a later date.
In the meantime, please advise me whether you need any other
information.

I look forward to the appearance of my paper in your journal.

Very truly yours,
