

UNIVERSITY OF CINCINNATI
(INTERDEPARTMENTAL CORRESPONDENCE SHEET)

To: Dr. Robert A. Kehoe
Kettering Laboratory

From: Dean N. P. Auburn

Date: September 8, 1949

Dear Dr. Kehoe:

I am returning to you herewith one executed copy and two typed copies of the agreement between the University and E. I. du Pont de Nemours & Company for research to be done in the Kettering Laboratory. I have retained for the Board's files a second executed copy.

May I point out to you that I have not filled in the date of this agreement. When you do so, will you please call my office so we can fill it in on our copy of the contract? Perhaps you want to make it the first day of September.

I assume you will handle the budgetary allotments under this contract in the customary way.

Sincerely yours,

N. P. Auburn
