Dear Michael,

I was so efficient riding my computer of my time files for this case that I cannot retrieve the document.

I have however, reviewed my invoice, and the time billed was only for January, which is my practice to bill for work done in any month. In addition, the two trips to DC to visit with you indicate that also.

Thus the time billed was for work in January in the preparation, analysis, travel, meetings with you and for the formal deposition. I hope this information will suffice.

All is well!

Best personal regards,

Dan Boyd
