Thursday, July 17:

(b) (6), (b) (7)(C)

Depart for Argonne National Laboratory

Drive time:

(b) (6), (b) (7)(C)

Limo manifest: S1, Jake, Carl

Staff manifest: Audrey, Ben, Sarah, Christian

8:15am Arrive at Argonne National Laboratory

8:20am Prep for Remarks

8:35am- Opening Remarks at AI x Nuclear Energy Executive Summit

8:45am Location: Building 240, Room 1416

Press: Open

Participants: S1

9:00am Departure for Fermi Lab
Drive time: 35m
Limo manifest: S1, Jake, Carl
Staff manifest: Audrey, Ben, Sarah, Christian

10:00am Arrive at Fermi Lab

10:00am- Welcome and Meet and Greet

10:05am Location: Wilson Hall Atrium

Press: Closed

Participants: S1, Jake, Carl, Audrey, Ben, Sarah, Christian

- Paul Alivisatos, President, University of Chicago
- Young-Kee Kim, Interim Laboratory Director
- Regina Rameika, Associate Director, DOE Office of High Energy Physics
- Whitney Begner-Romozzi, Acting Fermi Site Office Manager

10:05am- Laboratory Overview

10:25am Location: 15th floor

Press: Closed

Participants: S1, Jake, Carl, Audrey, Ben, Sarah, Christian

- Paul Alivisatos, President, University of Chicago

- *Marc Kaducak, Interim Deputy Director for Projects and Engineering*
- *William Mairson, ES&H Senior Director*
- *Alexander Valishev, Associate Laboratory Director for Accelerators*

10:25am- Meet with Fermi Site Office

10:40am Location: Wilson Hall, 15th Floor
Press: Closed
Participants: S1, Jake, Carl, Audrey, Ben, Sarah, Christian
Whitney Begner-Romozzi, Acting Fermi Site Office Manager

10:40am Board Shuttle and depart for Electrical Duct Bank

Drive time: 10m

Manifest: Fermi shuttle will transport group

- *Young-Kee Kim, Interim Laboratory Director*
- *Regina Rameika, Associate Director, DOE Office of High Energy Physics*
- *Whitney Begner-Romozzi, Acting Fermi Site Office Manager*
- *Alexander Valishev, Associate Laboratory Director for Accelerators*
- *Cristian Boffo, PIP-II Project Director*

10:55am Board Shuttle and Depart for Main Injector Tunnel Tour

Drive time: 10m

Manifest: Fermi shuttle will transport group

11:05am- Main Injector Tunnel Tour

11:35am Location: Main Injector
Press: Closed
Participants: S1, Jake, Carl, Audrey, Ben, Sarah, Christian
