Dear Dr. Kehoe:

I am sorry that we did not get an opportunity to make a final decision about your address on the AIHA stationery. Would you please send me the address that you would prefer us to use and I will try to fit it on the stationery so that it will look satisfactory. Your name will take the place of J. J. Bloomfield's on the present stationery and you can judge whether there is enough room for your address. I prefer not to abbreviate any of the words since this frequently causes confusion.

Very truly yours,

E. C. Barnes
E. C. Barnes,
Secretary.
