May 14, 1974

COMPANY-WIDE CONFERENCE ON HEALTH EFFECTS
OF DUST FROM THERMAL INSULATING MATERIALS

Ref: Letter, R. B. Hayden to Addressees, May 7, 1974, same subject

Attached hereto is a copy of a letter from J. F. Morgan, Haskell Lab., giving additional details on the subject conference. Also attached is a program for the meeting and a map showing the location of the Holiday Inn, the Sheraton Brandywine and the El Capitan motels.

Once again, I urge you to indicate your desire to attend this conference by contacting Frank Fuller, ESD, Louviers Building by 5/15/74.
