Re: Westinghouse Documents

Dear Barry:

Per our conversation, enclosed is the Westinghouse "Smoking Gun" document and several other documents which refer to Westinghouse's "document retention/reduction of historical corporate and plant industrial hygiene records." Yesterday the Texas Supreme Court overruled the Westinghouse motion for permission to file a Writ of Mandamus and vacated a stay order regarding this document. That order is also enclosed.

I am in trial in Austin, Texas this week. Should you need any additional information about this material, you may contact Pat Folkerth at our office in Dallas.

Sincerely,

C. Andrew Waters / Esq.
