Hi Debbie,

I am copying the scheduling folks for the Secretary who can share with you a form to complete to request a meeting with the Secretary.

Thanks,
Scott

Scott,

I am coming to you because you are the only one I know at DOI. You are familiar with the Everglades Restoration project in Florida, it's the nation's largest environmental restoration project. The Everglades Foundation Board will be in town **April 26 & 27th**. These folks are all very wealthy Republicans who strongly supported the President.

They would like an appointment with Sec Zinke while they are in town. Just as background, they have always seen the Secretary, whoever it was at the time, once a year and usually the Secretary visits the Restoration at least once per year to see the progress.

How do I get them an appointment during this time period? Best and Congratulations!
Debbie
