Subject: Urgent: Story on Trey Glenn for Southeast Energy News

Hi there,

I'm writing a story for Southeast Energy News on Trey Glenn being appointed as the EPA Region 4 head, and I'd love to set up an interview with him to talk about what he thinks are important issues to address in the Southeast in the coming months/years. If he isn't available, I'd like to speak to someone else about the region if possible.

Please let me know if this would be possible to set up this week.

Thanks,
