Dear CCIM PFAS WG members,

Please find in the mail below the links to register to the OECD PFAS event that will be held 12-13 February. It is possible to either attend in person or follow the event online, do note that in person participation is limited.

Kind regards,

Galileelaan, 5/2 • 1210 Brussel • www.health.belgium.be

Dear WPRM and Global PFC Group,

Following the pre-registration period that was held in Nov/Dec for delegates, we have opened remaining spaces for registrations for the **Global Forum on PFAS on 12-13 February 2024**. Please visit the page below to access two separate links, one for in-person participation (limited space) and another one for virtual attendance.

Register here: [OECD Global Forum on the Environment dedicated to Per- and Polyfluoroalkyl Substances - OECD](#)

Kindly note that ONE will not be available for registrations this time.

For your convenience, please find a list of hotels that are close to the OECD, some of which offer preferential rates: [Plan your trip - Organisation for Economic Co-operation and Development \(oecd.org\)](#)

Additionally, here is a link detailing how to access the OECD: [Access - Organisation for Economic Co-operation and Development \(oecd.org\)](#)

With best regards,

The OECD Secretariat
