Messrs. W.P. Fuller & Co.,
San Francisco, Cal.

Gentlemen:-

EXPLOSIVES LICENSE:

We acknowledge receipt of your letter of the 4th inst. enclosing certified copy of Vendor's license #741048 and have carefully noted your remarks regarding same. In this connection beg to advise that the various manufacturers seem to be somewhat confused as to the exact requirements of this law. We will therefore handle the matter along the lines mentioned in your letter. If we find that it will be absolutely necessary for us to have additional copies, will take up the matter with you.

As mentioned in our letter #353 of even date, under the heading of Chrome Green and Chrome Yellow, the Paint & Color Manufacturers will meet in Washington on Friday, the 12th inst. to protest against the necessity of obtaining licenses for the shipment of these colors.

Very truly yours,

W. P. FULLER & CO.
