Dear Dr. McCormick:

Pursuant to your need for background information about the environmental aspects of transformer askarel fluids containing PCBs, we are pleased to offer the following:

1. The NEMA Guideline
2. The enclosures

   a. Aroclor Polychlorinated Polyphenyls
   b. Final Environmental Impact Statement, Food & Drug Administration
   c. Interdepartmental Task Force on PCBs, Washington, D.C., May 1972.

We trust that this technical information will serve your needs in dealing with the state officials relative to the proposed Hackensack Stadium as well as other projects in the future where your firm will give consultation.

We greatly appreciate your calling us and would welcome hearing from you at any time you believe we could be of assistance.

Sincerely,

P. G. Benignus
