Dear Mr. Dickson:

This is to advise you that our representative in your area, Mr. R. A. Sheffield of Beaumont, has made inspections during the application of the Bird Bonded Built-Up roof on the building belonging to the State of Texas, housing the Department of Public Safety, located at 7250 North 11th Street in Beaumont.

In this connection, Mr. Sheffield reports that the application of the built-up roofing material on this job was according to our specifications and, of course, the application is approved.

Thank you again for your interest in our products.

Very truly yours,

COMMENTS:

In consideration of your furnishing your 20 Year Guaranty Bond on the Bird Specification Built-up Roof and your 20 Year Flashing Endorsement on the Bird Specification Flashing applied by us as described above, we hereby guarantee to you that in the event of your being called upon to make any repairs to said roof within a period of two (2) years from the date hereof, we will, at our own expense, investigate reports of leaks and, if the trouble is not due to defects in the roofing materials we will, upon notification, without delay and at our own expense put the roof in watertight and serviceable condition to the satisfaction of the owner of the roof, and notify Bird & Son, Inc., East Walpole, Massachusetts, Dept. BBB, of said repaired conditions.

We further agree that, if during the period covered by this two (2) year guaranty there are any places where felt has not remained in place, or there are any spots on the roof surface where Asphalt or pitch coating has not remained in place, we will, at our own expense, make necessary repairs and re-cover such spots with asphalt, pitch or other material in a manner satisfactory to Bird & Son, Inc.

We further agree that if during the period covered by this two (2) year guaranty there are any places where the flashing material has not remained in place, we will at our own expense, make necessary repairs in a manner satisfactory to Bird & Son, Inc.

Yours very truly,

Signed J. T. Gray
