ADVANCE MEETING NOTICE

August 6, 1973

TO: MEMBERS OF THE PROMOTION COMMITTEE
OF THE PLASTIC BOTTLE DIVISION

Dear Member:

You will note that in the minutes of our last meeting, I had reported that our next meeting would be held on September 6, 1973. I should have stated that this was a tentative date.

In view of the extension granted us for comments to FDA on the PVC liquor bottles, I am rescheduling the meeting to September 20, 1973. This date is also tentative depending upon the availability of our new chairman.

The Ad Hoc PVC Liquor Bottle Committee is meeting on September 5th. Anticipating that the results of that meeting will be favorable, we will be in a much better position to formulate a program at this later date.

As soon as the date has been firmed, we will send a final notice with agenda.

Cordially,

Thomas J. McGrath
Director of Packaging Services
