Copies Gratefully

CEMENT ASBESTOS PRODUCTS COMPANY

Ragland, Alabama

FROM: Charles E. Cobb January 6, 1971

TO: Mr. H. Clay Davis

SUBJECT: Air and Water Pollution Report - CAPCO - Ragland

1. Our problem is dust from machining and sawing operations.

2. New dust collecting equipment has been purchased and will be installed during January.

3. Guidelines 4-7 do not apply.

4. Our present equipment is in good operating condition. We have not experienced any operating difficulties.
