Re: Resource Conservation and Recovery Act (RCRA) Compliance Evaluation Inspection (CEI)
University of Florida
EPA ID: FLD000823393

Dear Matthew Doty:

On March 5 and 6, 2025, the U.S. Environmental Protection Agency, along with the Florida Department of Environmental Protection (FDEP), conducted a CEI at University of Florida located in Gainesville, FL to determine the facility's compliance status with RCRA and applicable regulations.

Enclosed is the EPA RCRA inspection report which indicates that deficiencies of RCRA were discovered during the inspection. A copy of this report has been forwarded to the FDEP for follow-up and further review.

If you have any questions regarding this matter, please contact Tarin Tischler, of my staff, by phone at (404) 562-9702 or by email at Tischler.tarin@epa.gov.
