Good Morning Aurelia

Jody and I are free from 11-12 or 1-2 today and anytime tomorrow morning until noon.

I would also like to get your intel on the damage to DOI assets from Harvey at some point. NFWF staff met yesterday and are starting to figure out how we might be able to help with immediate recovery needs...

Thanks!

Greg

Greg and Jody,

The discussion with Labor went in a direction much different than I anticipated. I want us to go back to our original plan and partner with Veterans; we need to get to back there. Let's have a call to debrief discussions from both VA and Labor, assess where we are at, and next steps. How is your availability on Thursday? Thank you.
