

For a "Paint-Up" holiday weekend.

Bullock's Sherwin-Williams Color Center has all your painting needs in one location

Sherwin-Williams Decorator Service

What color goes with what? The Style Guide companion shows you. It has over 625 complete color schemes showing you different color combinations.

Color Bar Here we mix 175 colors for you. Bring your color sample and we will find a blending color for you.

Wallpaper A complete selection of moderately priced "Style-perfect" wallpapers with paint colors correlated to match wall paper. Hundreds of lovely patterns.

Super Kem-Tone

An amazing washable wall paint. Later type, needs no thinning, ready to use. For all painted walls or over wallpaper. Easy to apply. Dries to touch in 20 minutes. One coat usually covers 20 decorator colors... pastels, deep tones, 144 intermediates, which we will mix.

Pastels: gallon 5.19, quart 1.45
Deep colors: quart 1.75, gallon 8.45

Kem Glo

The miracle enamel that looks and washes like baked enamel. Use for kitchens, bathrooms and all woodwork. Needs no under-coater for plaster or woodwork. Dries in three hours. Stay white and 20 lovely colors. Pint size, 1.45, quart size, 2.49, gallon size, 8.35.

SWP house paint

You save when you paint your house with SWP, because it lasts longer. Gives your house an extra year of beauty and protection, over most other house paints. Protects from wear, weather, and sooty. A fine value whether you figure by the square foot or by the year.

Undercoater, gloss white, regular colors, gallon, 5.98
